

CUSTOMER REFERRAL PROGRAM

At **Windbreaker Windows**, our family of happy customers is one of our most treasured assets. Your successful home improvement project is a reflection of our dedication to *all* of our customers. If you aren't happy with your project due to something within our control, you know we will go above and beyond to make it right.

Because we are committed to our customers and the service we provide, we value word of mouth referrals as well. If you are talking about us to your friends and family, that means you are happy with the work we have done. Therefore, if you refer a friend and we can show our products and provide a quote to them, we will *give* you a \$75 gift card! Should your referral contract with us for a home improvement project, we will add to your original referral gift card an additional gift card of a \$150!

Our word is essential to you..... your words are invaluable to us!
